Private Initiative perspectives

Laban **COBLENTZ**

Head of Communication, ITER Organization

Laban's career crisscrosses multiple sectors of science, technology, and entrepreneurship: as an NRC safety inspector, a staffer for Senator Joe Lieberman on e-Government, an IAEA official pushing WMD

diplomacy in Iraq and Iran, a university administrator at RPI, the founder of a New York innovation center and a Texas cybersecurity start-up, and now at the ITER international fusion project in France.
